UltraCURA Base

Base colour ink series optimised for the usage on paper and board

UV base colour ink series for sheetfed offset

Product Features

- UltraCURA Base is a highly reactive UV base colour ink series for sheetfed presses.
- It is suitable for commercial application on paper and board.
- The series consists of 13 base colour inks as well as black, transparent and opaque white. Base colours have high colour strength, optimised to blend spot colours.

Advantages of UltraCURA Base

- Fast work turnaround.
- Good rub resistance.
- High colour strength.
- Very good ink-water stability.
- Fast curing speed.
- Reduced energy consumption.
- Ideally suited for paper and board.

UltraCURA Base

Substrates	Ideally suited for coated and uncoated paper and board.
Hints for the mixing of spot colours	Thanks to their high colour strength and mono-pigmentation, UltraCURA Base colour inks feature very easy formulation and mixing of spot colours; also true when specific resistance requirements are specified. Furthermore it is possible to achieve all colour shades of the PANTONE® range with the typical film weight usually applied in wet offset printing. Therefore formulations for coated paper must be chosen.
Remarks	<p>UltraCURA Base inks are suitable for printing with or without alcohol.</p> <p>UltraCURA Base inks have been formulated to exclude materials known to cause swelling or degradation of EPDM and NBR type rollers and blankets. In general, UV curable inks and the special cleaning fluids can, to a certain extent, cause swelling or shrinking of rubbers. Rubber types like EPDM, butyl nitrile or vinyl nitrile are recommended.</p>
Shelf life and storage	<p>The recommended storage temperature is 5 - 35 ° C.</p> <p>Direct sunlight as well as long-term exposure to fluorescent lamps should be avoided to prevent polymerisation. Meeting the recommended storage conditions, UltraCURA Base will remain stable for a minimum of 12 months from the date of manufacture.</p>
Exceptions	Not for use for food packages without functional barrier.

More products. Streamlined access. Greater results.

Flint Group offers a uniquely powerful combination of products, services and expertise; giving you access to the industry's broadest range of pressroom products.

Inks & Coatings. Pressroom Chemicals. Blankets. Sleeves. Consumables.

Rely on us for consistency, reliability and customer focus. Our aim is to make it easier for you to achieve your business goals. With Flint Group products in your pressroom, you can run your business with confidence and peace of mind.
